

VARIANCE APPLICATION PROCEDURE

These pages are provided to give you an understanding of the variance application procedure used by the Village of Marble Cliff. Chapter 154: Zoning Code of the Marble Cliff Ohio Code of Ordinances gives Village Council the authority to grant certain variances to the Zoning Code of the Village. The regularly scheduled meeting of the Council is generally held on the third Monday of each month at 7:00p.m. in the Council chambers of Village Hall, 1600 Fernwood Avenue.

To initiate the variance process, the applicant must file the following completed documents with the Fiscal Officer of the Village **no later than 30 days before the meeting at which Council will consider the application:**

1. Application for variance(s), including the reasons for the request(s) (Exhibit A)
2. Certification of names of persons and addresses to be notified (Exhibit B).
3. Drawings (Exhibit C)
4. A check payable to Village of Marble Cliff for \$50.00 (residential) or \$100.00* (commercial).
* Plus direct engineering review costs as determined by the Village.
5. Completed sign, fence, and/or demolition permit application (if applicable).

YOU OR YOUR REPRESENTATIVE SHOULD BE PRESENT AT THE MEETING WHEN THE COUNCIL CONSIDERS YOUR REQUEST. At this meeting, Council may ask you to explain your request. Your neighbors, if present, will then be given the opportunity to voice their support for or opposition to your request. After all interested parties have been heard, Council will rule on your request for a variance (or delay a decision for more information).

All variances **must be implemented within one year** from the date of approval. If implementation is not achieved within this one year period, a new variance must be sought.

The Village Fiscal Officer will mail a copy of the approved Variance ordinance to the applicant within 30 days after approval by Council. This copy should be kept with other important property documentation for future reference.
