

Village Residents

The Village of Marble Cliff is open and operating. Village Hall is open and Cindy and Judy are here. We are trying to continue with limited public contact. If you need anything from us please visit the Village web site, email or call. If you need something from the office, we will pass things as necessary through the front door.

Our Village Council meeting will go forward tonight. We will be excusing a couple of staff so that we can have less people and spread out per the social distancing guidelines.

Our Mayor's Court is held at the Grandview Heights Municipal Building and to assist their efforts to limit public contact we will postpone Mayor's Court and have any matters continued or sent to the Franklin County Municipal Court.

We are following the State of Ohio Guidelines regarding COVID-19. As you may know, information can be found at coronavirus.ohio.gov and at cdc.gov.

We are working with the City of Grandview Heights and their efforts to limit public contact to keep the safety forces and services employees safe and working. Please visit www.grandviewheights.org for more information.
