******SAFETY AND CANCELLATION POLICY ON BACK OF FORM******

ACCIDENT PREVENTION AND SAFETY

The Permittee shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the Work.

The Permittee shall take all necessary precautions for the safety of and shall provide all necessary protection to prevent damage, injury or loss to:

- (1) All Employees on the Work and all other persons who may be affected thereby.
- (2) All the Work and all materials and equipment to be incorporated therein, whether in storage on or off the site.
- (3) Other property at the site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures and utilities not designed for removal, relocation or replacement in the course of construction.

The Permittee shall comply with all applicable laws, ordinances, rules, regulations and orders of any public authority having jurisdiction for the safety of persons or property or to protect them from damage, injury or loss.

PROCEDURE FOR PERMITS, TERMS

(D) Applicants for Construction Permits shall file an application therefore, in such form as the Regulations require, along with deposit of Seven Hundred Fifty Dollars (\$750.00). The Marble Cliff Village Engineer shall determine if the application is in order and, if so, shall grant the application and estimate the actual and direct Village costs for the approved project. Permittee must deposit 100% of the Construction Permit Cost prior to permit approval and the start of approved construction. Construction Permits shall be valid until the completion date has expired, or else canceled by the Marble Cliff Village Engineer, upon sixty (60) days' written notice to the Permittee; provided, however, that upon a finding by the Mayor or Village Engineer that an emergency exists the Mayor may cancel any such Permit upon such lesser notice as is necessary under the circumstances.
